---

Are you ever confused about which items are recyclable and compostable? Check out these multi-lingual guides from the City of Berkeley, and please share them with other members of your household!

[Paper](#)

[Glass, Metal, and Plastic](#)

[Compost](#)

Better yet, learn how to use less plastic! Check out these great ideas from the Ecology Center:  
<https://ecologycenter.org/wp-content/uploads/2016/12/Plastic-Strategies-1.pdf>

Please bring your old batteries, small electronics, and ink cartridges to the collection box in the village office (just outside the gym).
