

Hello University Village Residents!

The Village Residents Association is proud to announce that we have two very awesome events taking place at our monthly town hall meeting, this coming Wednesday, April 26th at 7:00 P.M.

We invite you to join us in the Community Center's Four Corners Room as we celebrate and launch the addition of NEW REST ZONES inside of University Village! Rest Zone gift bags will be given to the first 50 guest in attendance! You don't want to miss out!

Also, come meet Nature Village and learn how to properly keep The Village green!

Nature Village is a success story of a multidisciplinary group integrated by University Village residents, UC Berkeley students, staff, campus sustainability groups, and volunteers working together with the goal of promoting sustainable living practices at the University Village. They've got a great presentation for you on waste segregation in The Village, so you definitely want to be there for it!

And as always, complimentary pizza will be available for residents attending the town hall meeting! Kids are welcome!

See you there!

The Village Residents Association
