You are invited to a weekly virtual discussion session where parents can share ideas on how best to support their kids' schoolwork. If you have questions related to your child’s education or have tips you’d like to share, this is the place. We will be drawing on the knowledge and experience of the group. The facilitator, Kathy Tomasic is a former licensed teacher who has experience with homeschooling and has a certificate in Online Learning.

The group will meet virtually in Google Meetings on Saturdays from 11:00 to 11:45 am. The next meeting is Saturday, Oct. 31.

If you are interested in joining the group, please fill out this short Google form. An invitation with the meeting link will be sent to you.
